

HVAC/Plumbing Sales Estimator

A & B Mechanical Contractors, Inc. has an opening for an ambitious Sales Engineer. We are seeking an individual with previous sales and construction experience and a willingness to learn the trades. Join our diversified services company offering Commercial, Industrial and Residential HVAC and Plumbing services.

Responsibilities:

- Build and maintain relationships with customers, suppliers, and subcontractors
- Prepare detailed job estimates for residential and commercial customers
- Solicit and receive quotes for all materials, equipment, rentals, and any special items
- Coordinate all logistics for equipment, materials and any special item deliveries

Requirements:

- Confident and responsible working independently
- Proficient with Microsoft Office Programs including Excel and Word
- Construction experience preferred
- Demonstrated ability to read and understand construction documents
- Physical demands include the ability to safely lift 50 pounds or more
- Valid Michigan Driver's License

Experience:

- Associates Degree or equivalent experience – Construction Management, Architectural Technology or related field
- Experience in construction estimating/take-off
- Engineering/construction management experience preferred

Benefits:

- Working with a team that values customer service, dedication and the drive to be above average
- Full Benefits Package (medical, dental, vision, life, AD&D, STD/LTD, HSA, 401K)
- Paid Vacation and Holiday Pay
- Educational Reimbursement
- Cell Phone Reimbursement
- Company vehicle available for use
